January 11, 2019

Dear Residents, Family Members and Friends,

I know that many of you are anxious to put this disruption in your life behind you and get back to a sense of normalcy – back to your home, your family and friends, your church, and your community. I am happy to report that everything continues to move forward according to plan. A detailed timeline review yesterday with the construction company confirms that construction and repairs will be complete by the end of February as projected, including a new roof!

Immediately after construction is complete, a series of inspections will occur, and then we can begin re-occupancy. It is in everyone's best interest to re-occupy Mathison as quickly as possible, so we will be organizing a staggered move-in schedule to get all returning residents comfortably back in their home between the end of February and mid-March. Three quarters of residents will be returning to Mathison! Strategically staggering the move-ins will provide each resident and their family with the appropriate time, space and staff attention to complete the move-in process.

Mary, Phillip, Randy, Jayna, Victoria Vesce, Tamara, Catherine, Sephani, Demetrice, Tina, Tarresa, Rachel, Victoria Reeves, Ashley, Tressie, Michelle, John and others are now back at work in the building, preparing to welcome you home.

Thank you for your patience, and your continued support.

Very truly yours,

Christopher W. Tomlin

President & CEO

Methodist Homes of Alabama & Northwest Florida
